

# SHAH SATNAM JI BOYS' COLLEGE, SIRSA

2025-26

'रैगिंग और नशों पर लगातार चोट है जारी, अब शिक्षा और स्पोर्ट्स के साथ रोजगार की तैयारी'

ISO 2009:2015 CERTIFIED

**With blessings of Saint Dr. MSG Insan,  
Shah Satnam Ji boys' college has achieved a peerless  
position in education as well as sports for the last 24  
years.**

# **WELCOME TO OUR COLLEGE**

## **ABOUT US**

Shah Satnam Ji Boys College was established in January 2000 for a vision to develop academic performance and community development among the students of this educationally backward region of Haryana State. The mission of this college was founded to offer high-quality, accessible, inclusive education. The focus of this college is to provide the information, abilities, and moral principles to students needed to become proactive, accountable, and innovative citizens both inside and outside of their communities. It is situated on Begu Road in Sirsa, Haryana, in a peaceful location next to Shah Mastana Ji Dham. Its strategic location, just 4 km away from both the railway station and the bus stand in Sirsa, ensures convenient accessibility for students from the region.

## PRINCIPAL'S MESSAGE

### **Welcome to Shah Satnam Ji Boys College!**

At our college, we believe education is the key to unlocking potential. We foster a vibrant learning environment that nurtures curiosity, critical thinking, and a love for lifelong learning.

What sets us apart is our commitment to blending academic excellence with real-world application. Our programs not only impart knowledge but also equip students with essential skills for their careers. We inspire innovation through cutting-edge research and hands-on projects.

Sports play a vital role in our students' experiences, promoting physical well-being and teamwork. Our excellent facilities and dedicated coaches provide opportunities for personal growth.

We also focus on developing confident, empathetic leaders through interactive workshops, inspiring seminars, and diverse extracurricular activities, emphasizing effective communication and emotional intelligence.

Explore our website to discover the dynamic and inclusive community that makes our college unique. Let's embark on a journey of exploration and excellence together!

# DEPARTMENT OF JOURNALISM & MASS COMMUNICATION

- **BACHELOR'S DEGREE:**

A 3-year Under Graduate program (B.A. in Journalism & Mass Communication) provides foundational knowledge and skills in media practices, reporting, and communication theories.

- **MASTER'S DEGREE:**

A 2-year Post Graduate program (M.A. in Journalism & Mass Communication) offers advanced study, specializing in areas like digital media, public relations, and investigative journalism.

JMC- Journalism and Mass Communication program is extensive, integrating various disciplines to prepare students for a dynamic media landscape. It encompasses traditional journalism, digital media, public relations, and advertising, while also incorporating specialized fields like animation and graphic design, digital marketing, and web portal journalism. Students will learn to create engaging multimedia content, leverage social media strategies, and utilize graphic design principles to enhance storytelling. The program also emphasizes digital marketing techniques, equipping students with skills to effectively promote content and engage audiences online. With a focus on web portal journalism, students will explore how to deliver news and information through interactive and user-friendly platforms. This comprehensive approach prepares graduates for diverse roles in the evolving media ecosystem, fostering creativity and critical thinking in a rapidly changing environment.

# DEPARTMENT OF COMPUTER SCIENCE & DATA SCIENCE

## BACHELOR OF COMPUTER APPLICATIONS (BCA)

The BCA program is designed to provide students with a comprehensive understanding of computer applications and software development. This course covers essential topics such as programming languages, database management, web technologies, and software engineering. Emphasizing both theoretical concepts and practical skills, students engage in hands-on projects and real-world applications. The curriculum fosters problem-solving abilities, critical thinking, and innovation in technology. Graduates are well-prepared for careers in software development, IT services, and tech support, as well as for further studies in computer science or related fields.

## B.SC. DATA SCIENCE

The B.Sc. in Data Science program is designed to equip students with the theoretical knowledge and practical skills needed to analyze and interpret complex data. This interdisciplinary course covers core areas such as statistics, computer science, machine learning, and data visualization. Students learn to work with large datasets, apply predictive modeling techniques, and use programming languages like Python and R for data analysis. With hands-on projects and real-world applications, the program prepares graduates for roles in industries like finance, healthcare, technology, and government, where data-driven decision-making is critical. This degree offers a strong foundation for a career in data science or further studies in advanced analytics and artificial intelligence.

## **DEPARTMENT OF COMMERCE & MANAGEMENT**

### **BACHELOR OF COMMERCE (B.COM) DEGREE:**

The B.Com degree is awarded upon the successful completion of a comprehensive curriculum focused on various aspects of commerce, including accounting, finance, taxation, and business law.

### **BACHELOR OF BUSINESS ADMINISTRATION (BBA) DEGREE:**

The BBA degree is conferred after completing a rigorous program that covers management principles, marketing strategies, human resource management, and entrepreneurship.

### **MASTER OF COMMERCE (M. COM) DEGREE:**

The Master of Commerce (M.Com) degree is awarded upon the successful completion of a graduate program that delves into advanced topics in commerce, finance, accounting, and business management. This program typically includes a mix of core subjects and electives, allowing for specialization in areas such as taxation, international business, or financial management.

# **DEPARTMENT OF ARTS AND HUMANITIES**

## **BACHELOR'S DEGREE**

A 3-year undergraduate program Bachelor of Arts (BA) program is an undergraduate degree designed to provide a broad and versatile education. This program encourages students to explore a diverse array of disciplines including humanities, social sciences, languages, and fine arts.

### **ELIGIBILITY**

A person who has passed the Senior Secondary Certificate Examination (10+2) of the Board of School Education, Haryana or an Examination as equivalent thereto, securing not less than 45% marks in the aggregate, with English as one of the subjects, shall be eligible to seek admission to BA.

## **LIST OF SUBJECTS**

- HINDI
- ENGLISH
- PUNJABI
- HISTORY
- POLITICAL SCIENCE
- GEOGRAPHY
- MASS COMMUNICATION
- PHYSICAL EDUCATION
- PUBLIC ADMINISTRATION
- SOCIOLOGY
- MUSIC

## **POST GRADUATE COURSES (MA & M.SC)**

MA-ENGLISH  
M.SC. GEOGRAPHY  
M.SC. MATHEMATICS  
MA – MASS COMMUNICATION  
MA- PUBLIC ADMINISTRATION

# Department of Physical Science

## Bachelor's Degree

A 3 Year Degree Program of Physical Science is a course of study that focuses on the principles of physics, chemistry, computer, mathematics and geography. After completing 12th grade with a Science background, you can apply for admission to the program.

## **ELIGIBILITY**

After completing 12th grade with a Science background, you can apply for admission to the program.

# DEPARTMENT OF PHYSICAL EDUCATION

## Diploma in Physical Education (D.P.Ed.)

- A 2-year diploma course designed to train students in the fundamentals of physical education, sports, and fitness.
- Focuses on teaching skills, sports techniques, and physical fitness training.
- Prepares students for roles such as physical education instructors or coaches in schools and community settings, work as physical trainer, sports coaches, fitness trainers, or administrators in educational institutions, gyms, and sports organizations.

## Bachelor of Physical Education (B.P.Ed.)

- A 2-year bachelor program aimed at providing in-depth knowledge of physical education, sports science, and fitness management.
- Covers subjects like human anatomy, sports psychology, exercise physiology, and health education.
- Equips graduates to work as physical education teachers, sports coaches, fitness trainers, or administrators in educational institutions, gyms, and sports organizations.

### ELIGIBILITY FOR (D.P.ED.)

- Pass 12th grade with a minimum aggregate of 50–60%
- Pass a physical fitness test

### ELIGIBILITY FOR (B.P.ED.)

- Have a bachelor's degree in any discipline with at least 50% marks
- Have a bachelor's degree in physical education with at least 45% marks
- Have participated in national, inter-university, or state competitions
- Pass a physical fitness test

# SKILL COURSES

Skill Courses are specialized programs designed to teach practical, job-related skills in a specific field or industry. They focus on hands-on training and real-world applications rather than theoretical knowledge. These courses are often shorter and more focused compared to traditional academic programs and are aimed at improving employability or enhancing a particular skill set.

## PROFESSIONAL PHOTOGRAPHY

The scope of photography is vast and includes opportunities in various fields such as commercial photography for advertising, product shoots, and fashion; event photography for weddings and corporate functions; and specialized areas like travel, wildlife, and portrait photography. Photographers can also pursue careers in photojournalism, stock photography, and artistic work, selling prints or showcasing their work in galleries. The rise of social media has created a high demand for content creators, while real estate and architectural photography have grown in importance.

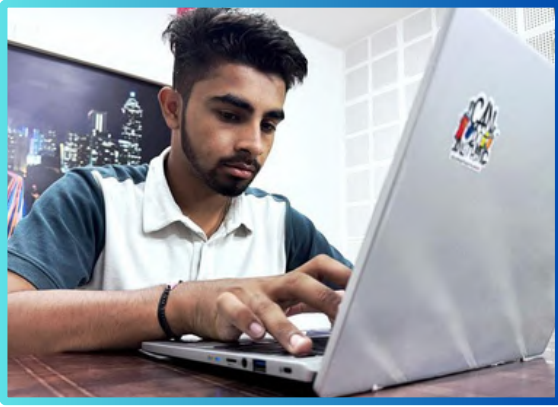

## Video Editing

Scope of video editing is expanding rapidly, offering opportunities across diverse industries such as film, television, advertising, and social media content creation. Video editors play a crucial role in post-production for movies, TV shows, and documentaries, ensuring that footage is seamlessly compiled to tell compelling stories. In the digital space, the rise of platforms like YouTube, Instagram, and TikTok has increased demand for video editing in areas like vlogs, tutorials, and promotional content. Corporate video production, online education, and freelance work also offer promising career paths. With the growing emphasis on video content, skilled video editors are highly sought after.

# Tally

Tally is one of the most popular accounting software programs used by small and medium businesses worldwide. A course in Tally can be a valuable addition for students pursuing degrees or diplomas in accounting, commerce, or finance.

# Yoga & Health

A Yoga and Health course in college is an educational program designed to introduce students to the holistic practices of yoga, its benefits, and how it contributes to physical and mental health. Such courses often combine theoretical knowledge with practical training, emphasizing not only the physical postures (asanas) but also aspects of breathing (pranayama), meditation, and lifestyle changes that enhance overall well-being.

# Personality development

A Personality Development course in college is designed to help students improve various aspects of their personal and professional lives. These courses focus on enhancing communication skills, boosting self-confidence, fostering leadership qualities, and cultivating emotional intelligence. By focusing on both internal and external development, personality development courses aim to prepare students for success in the workplace and in life.

# STUDENTS FACILITIES

## Library

The library comprises following sections: Reading rooms, Research Room, IT zone, periodical. Together, all the sections of our library display a rich collection of more than 14,000 books and 40 periodicals/ magazines.

The Library provides a book-bank facility too for lending text books to needy and deserving students for whole academic session. Internet facility is now available for students inside the library premises itself.

## Placement Cell

A Placement Cell in a college is a dedicated department or office designed to facilitate the recruitment process for students. Its primary goal is to bridge the gap between the college's students and potential employers by providing resources, training, and guidance to help students secure internships and full-time jobs.
